This prestigious title recognizes Dr. Cyrus Chan's exceptional achievements and distinguished contributions in commercial development and social services across the Guangdong-Hong Kong-Macao Greater Bay Area (GBA).

Key Strategic Appointment: GBA Sustainable Economy & Trade Think Tank

Dr. Cyrus Chan has been officially invited to join the "GBA Sustainable Economy & Trade Think Tank" and assume the key leadership role of **Secretary of the Think Tank & Head of the 188 Fund Special Task Force**.

Aligning with the National "15th Five-Year Plan" and the acceleration of "New Quality Productive Forces", the Task Force will fully leverage Hong Kong's dual advantages as an international asset management hub and an innovation and technology center. The group will strategically focus on key emerging sectors, including:

- **Artificial Intelligence (AI) & Advanced Technology**
- **New Energy & Green Sustainability**

- **Biotechnology** & Healthcare Innovations
- **Low-Altitude Economy** & Next-Gen Mobility
- **Commercial Real Estate** & Strategic Infrastructure

By promoting the deep integration of capital, technology, and industry, the Task Force aims to foster long-term sustainable value and drive high-quality economic development throughout the Greater Bay Area.
